USDA United States Department of Agriculture

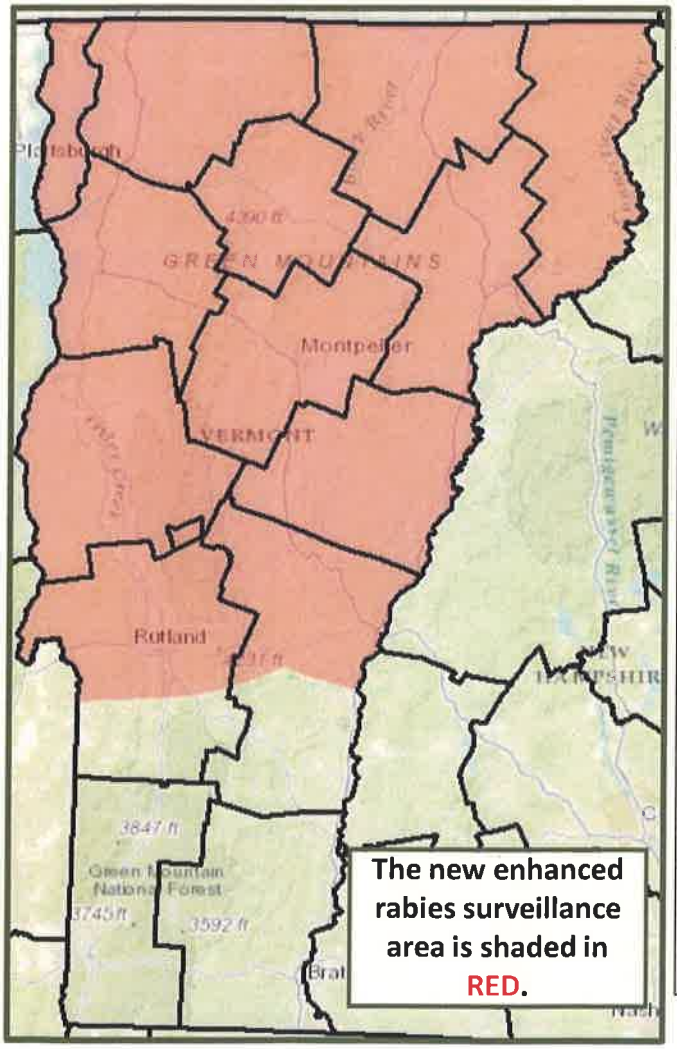
If You See Any

Raccoons, Skunks, Coyotes, Woodchucks or Foxes

Acting Strange or Roadkill

USDA's Wildlife Services Wants To Know!

Call (800) 472-2437



The new enhanced rabies surveillance area is shaded in RED.

USDA's Wildlife Services in Vermont is conducting rabies surveillance. You are a part of this critical effort.

All animals must be deceased before Wildlife Services can respond.

Do not touch wild animals, alive or dead.

ANYWHERE in the surveillance area.
ANYTIME of year.
Call Wildlife Services (800) 472-2437
