**Public Present: Amber Soter, ZA**

7:01PM – **G. Heyer** called the meeting to order.

7:03 PM – **M. Varney** moved to accept the minutes from October 18, 2016; **M. Hunziker** 2<sup>nd</sup>. All in favor.

The discussion was a summary of the Voting Day, community input booth that the PC and SE Group hosted. A series of questions were asked of the voters to obtain input towards our Gateway Enhancement MPG. The PC and SE Group were very satisfied with the amount of input that was received. Over 300 people participated in the question and answer portion and many gave personal suggestions and feedback in the comment boxes. The information from the data collection has been summarized and a complete copy is available in the Zoning Office upon request.

This information will be valuable with the study. It will help the SE Group to determine the community's concerns as well as get an idea about where the community feels the Village is located.

The next Planning Commission meeting will be November 29, 2016.

8:30 PM – **M. Hunziker** moved to adjourn; **R. Wimble** 2<sup>nd</sup>. All in favor.

Respectfully submitted,  
Amber Soter, Assistant to the Planning Commission
