2015, Fairfax Fire Department Parking Lot Reconstruction Project

The Town of Fairfax is now accepting Bids for the reconstruction of the Fire Department Parking Lot, 15 Goodall Street, Fairfax, VT 05454.

Site visit scheduled for 9:00 am, Thursday July 16th, 2015

Purpose;

The parking lot at the Fairfax Fire Department is in need of replacement. The existing grade of the parking lot does not allow for proper drainage of water away from the building. As the parking lot needs to be re-paved, it is our desire to address the drainage issue at this time.

Scope of Work;

In compliance with the Site & Grading Plan, 15073, Cross Consulting Engineers,

- **Completion date of project must be prior to August 23, 2015**
- Removal of **ALL** existing Asphalt & Concrete, (with the exception of the 5' X 7' concrete slab located at the exit door on the South end of the building).
- Establish grade that will slope away from the Fire Station.
- Establish grade that will allow all FD apparatus to clear the transition between the parking lot and Goodall Street.
- Remove adequate sub-surface material to allow new material to be added, while maintain desired grade.
- Provide new material as needed to obtain sub-base as outlined on Site & Grading Plan
- Surface will be prepared to meet the needs of the Paving Contractor, Paving **IS NOT** in the scope of this Request for Bids.

All proposals should include the following;

- Itemized listing of proposed expenses including;
 - Cost of material
 - Cost of labor
 - Cost of equipment
- Proposed time-line for each phase of project, and total time from start to finish
- Proposed work schedule, (days of the week & planned hours of operation)
- Proof of Insurance

All bids must be received at the Fairfax Fire Department, 15 Goodall Street, Fairfax, VT 05454, no later than **12:00 pm on Friday July 24, 2015**

All bids shall be in a sealed envelope, with “**2015, Fairfax Fire Department Reconstruction Project Quote**”, clearly marked on the outside of the envelope.
