RE: Review and Pre- Approval of DRAFT SWIP Revised Version

Dear Stacy,

Thank you for the submittal of the Town of Fairfax's (the town) revised draft Solid Waste Implementation Plan (SWIP) on October 20th in response to the comments sent by the Agency on October 5th. The town's revised SWIP responded to all comments made by the Agency in full.

This letter is to serve as a pre-approval of the Town of Fairfax's SWIP in order for the town to move forward with a public process for adoption. Please note that the Agency must be notified of any changes to this SWIP that may occur as a result of the public process and will need to approve those changes before final approval.

If no changes are made to the SWIP and upon completion of the Town of Fairfax's SWIP public process, the Agency can approve the town's SWIP.

Please provide a copy of the final SWIP with date of adoption by the Fairfax select board, the adopted VRP ordinance and the dates of the required 2 public meetings with any noteworthy comments via e-mail to ANR.DECswip@state.vt.us.

If you have any questions, please contact Mia Roethlein at mia.roethlein@state.vt.us.

Sincerely,

A handwritten signature in blue ink that reads "Catherine Jamieson".
