

**Public Notice**  
**Fairfax Planning Commission**  
**Proposed Bylaw**

The Fairfax Planning Commission will hold a Public Hearing on Wednesday, June 29, 2016 at 7:30 PM, in the Conference Room of the new Fairfax Municipal Offices at 12 Buck Hollow Road, to present and receive public comment on a proposed Bylaw titled **“A Bylaw Establishing Screening Standards for Ground-Mounted Solar Electricity Generation Plants”** under the authority of Chapter 117 of Title 24, Section 4414(15) to adopt screening standards for Ground Mounted Solar Electricity Generation Plants (GMSP), Vermont Statutes Annotated.

The purpose of this Bylaw is to ensure that the development of GMSPs are harmonized with their surrounding landscape through the implementation of appropriate screening as well as, implement the 2013 Fairfax Town Plan.

This proposed Bylaw will affect the entire Town of Fairfax. **“A Bylaw Establishing Screening Standards for Ground-Mounted Solar Electricity Generation Plants”** is divided into the following seven (7) Sections:

Section 1: Authority

Section 2: Purpose

Section 3: Applicability

Section 4: Application Materials and Review Process

Section 5: Screening Standards

Section 6: Definitions

Section 7: Severability

The complete text of the proposed Bylaw can be viewed in the Fairfax Town Office during normal working hours (9 AM to 4 PM). It is also available on the Fairfax Town Website [www.fairfax-vt.gov](http://www.fairfax-vt.gov) .
