7:00PM – **G. Heyer** called the meeting to order.

Tonight’s meeting focused on the following items from the Town Plan update; Section 4: Community Services. This includes facilities, utilities, services and education. Currently Chapters 6 & 7 of the Town Plan.

These sections are being completely reformatted to highlight key areas of success and areas that need improvement. An appendix will be created for more details of each area.

The Planning Commission would like to set up times to speak with the water and sewer department about growth, funding and more. This will greatly help in the planning process of the new Town Plan.

The next planning meeting will be on January 16, 2017. The agenda will include Section 5 review which is the current Chapters 5, 9 & 10.

9:20 PM – **M. Hunziker** moved to adjourn; **M. Varney** 2nd. All in favor.

Respectfully submitted,
Amber Soter, Assistant to the Planning Commission
