

**Dear Fairfax Resident,**

Thank you for giving us the opportunity to provide you with safe, reliable, and environmentally sound waste and recycling services. Please read over the important information below.

Your trash and recycling will be collected **every week** on either **Wednesday** (South of Huntville/Tabor Roads or **Thursday** (North of Huntville/Tabor Hill Roads). Please see the enclosed map to determine your collection day. Place your containers at the curb the night before your collection day and note that some private road and street residents will need to bring containers to the nearest town maintained street for service.

We've also included a Zero-Sort® recycling poster that outlines most recyclable and non-recyclable items. With Zero-Sort® recycling, you simply throw acceptable recyclables including cardboard, paper, glass, aluminum and plastic in the container and we take care of the sorting. It's so easy!

It's our mission to make curbside trash and recycling simple for Fairfax residents, so should you have any questions or require additional information, please call our office at **802-651-5400**.

Best Regards,

Michael Casella  
General Manager
