6:34 PM- G. Heyer called the meeting to order.

The Planning Commission conducted a driving tour to begin their research on drafting a scenic resource list. One component of a resource list is identifying scenic vistas we would like to protect. They visited areas that they felt they may like to include on this list. They will discuss the list in more detail at a future meeting. Some of the locations that were noted on this tour were:

1. Several locations on Buck Hollow
2. Carol Hill Cemetery
3. 104 by King Road and/or Upsy Daisy
4. Bellows Farm on 104
5. Several locations on McNall Road
6. River Road near Butler Road
7. Heyer Farm (4 way intersection all the way to 288 Huntville)
8. Other locations on Huntville
9. Inn at Grace Farm.

The Next Planning Commission Meeting will be on May 5th. This is a joint meeting with the Select Board to discuss the Sidewalk Master Plan, progress updates and how we can include the recent Feasibility Study. The meeting will begin at 7p.m. with Housekeeping items and the Select Board will attend at 7:30.

Respectfully submitted,
Amber Soter
